MAILBOXES, SIGNS & SITE AMENITIES

1-855-537-0200  
www.mailboxesandsigns.com

## WHY FORSITE?

### 1. Best Products, Best Value:

Attractive selection, rust free cast aluminum construction and durable powder coated finishes.

### 2. Experience:

Since 2007, Forsite has provided exceptional products and great service. The Forsite team has over 70 years combined experience in the mailbox and signage business.

### 3. Custom Design and Manufacturing:

Create your mailbox system or street sign assembly by choosing from our many styles of posts, bases and accessories.

### 4. Expert Installation:

Experienced and insured crews able to provide expert installation of our products nationwide.

### 5. Return on Investment:

Enhance the value of your property or community with high quality and durable products that will last for years to come.

### 6. Refurbishment Services Available:

Have existing mailboxes, lighting or signage that needs refurbished or repaired? We can help.

### 7. Project Pricing:

Contact Forsite to receive the best possible pricing for your projects.

4" x 4" Smooth Square

# HOW TO CONFIGURE YOUR SIGNAGE SYSTEM

Direct burial poles and accessories are made of extruded and cast aluminum. Direct burial poles require a minimum of 18" to 24" burial below grade in concrete for proper installation.

## STEP 1 - SELECT A POLE

Length:	3" O/D Smooth	3" O/D Fluted	3" O/D Smooth Breakaway*	4" O/D Smooth	4" O/D Fluted	4" O/D Smooth Breakaway*	4" x 4" Smooth Square	4" x 4" Fluted Square
8' - 0"	SM-408	MP-408	BA-408	SM-608	MP-608	BA-608	MP-108	MP-708
10' - 0"	SM-410	MP-410	BA-410	SM-610	MP-610	BA-610	MP-110	MP-710
12' - 0"	SM-412	MP-412	BA-412	SM-612	MP-612	BA-612	MP-112	MP-712
14' - 0"	SM-414	MP-414	BA-414	SM-614	MP-614	BA-614	MP-114	N / A
16' - 0"	SM-416	MP-416	BA-416	SM-616	MP-616	BA-616	MP-116	N / A

\*meets U.S. Federal Highway Administration (FHWA) breakaway pole regulations.

## STEP 2 - SELECT A POLE TOPPER

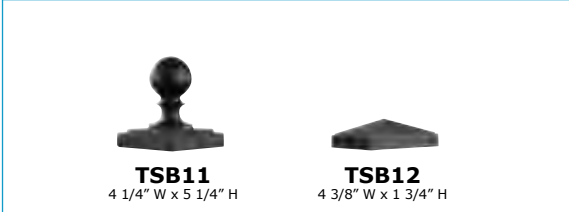

### POLE TOPPERS FOR 3" O/D ROUND POLES

### POLE TOPPERS FOR 4" O/D ROUND POLES

### POLE TOPPERS FOR 4" x 4" SQUARE POLES

## STEP 3 - SELECT A BASE

### BASES FOR 3" O/D ROUND POLES

### BASES FOR 4" O/D ROUND POLES

### BASE FOR 4" SQUARE POLES

# HOW TO CONFIGURE YOUR SIGNAGE SYSTEM (CONTINUED)

## STEP 4 - SELECT STREET SIGN MOUNTS, BANNER ARMS OR CUSTOM SIGN MOUNTS

TSCR (Fits 3" O/D Pole)  
TSCR-600 (Fits 4" O/D Pole)

- Clamps around round pole
- Scroll: 16" W x 5 1/2" H

TSCR-700  
(Fits All Forsite Poles)

- Bolts to pole
- Scroll: 16" W x 5 1/2" H

TSCR-DBL (Fits 3" O/D Pole)  
TSCR-600-DBL (Fits 4" O/D Pole)

- Clamps around round pole
- Two TSCR brackets welded together at a 90° angle.
- Scrolls: 16" W x 5 1/2" H

TSB-201 (Fits 3" O/D Pole)  
TSB-601 (Fits 4" O/D Pole)

- Clamps around round pole
- Scroll: 16" W x 5 1/2" H
- Model # Example: **TSB-201-630** holds one 6" x 30" sign

TSB-201-DBL (Fits 3" O/D Pole)  
TSB-601-DBL (Fits 4" O/D Pole)

- Clamps around round pole
- Two TSB-201 or TSB-601 brackets welded together at a 90° angle.
- Scrolls: 16" W x 5 1/2" H

TSB-202  
(Fits All Forsite Poles)

- Bolts to pole
- Scroll: 16" W x 5 1/2" H
- Model # Example: **TSB-202-630** holds one 6" x 30" sign

TSB-203 (Street Name Sign Frame)  
TSB-203-99 (Logo Sign Frame)

- Bolts to pole
- Model # Example: Use **TSB-203-930** to order without Logo Sign Frame

TSB-205 (Fits 3" O/D Pole)  
TSB-605 (Fits 4" O/D Pole)

- Clamps around round pole
- Model # Example: **TSB-205-630** holds one 6" x 30" sign

TSB-205-DBL (Fits 3" O/D Pole)  
TSB-605-DBL (Fits 4" O/D Pole)

- Clamps around round pole
- Two TSB-205 or TSB-605 brackets welded together at a 90° angle.

TSB-206 (Fits 3" O/D Pole)  
TSB-606 (Fits 4" O/D Pole)

- Clamps around round pole
- Model # Example: **TSB-206-30** holds one 30" wide sign

TSB-207 (Fits 3" O/D Pole)  
TSB-607 (Fits 4" O/D Pole)

- Clamps around round pole
- Scroll: 16" W x 5 1/2" H
- Model # Example: **TSB-207-30** holds one 30" wide sign

TSB-208 (Fits 3" O/D Pole)  
TSB-608 (Fits 4" O/D Pole)

- Twist Lock Sign Mount
- 1" Diameter Hole Required in Pole

TSB-209 (Fits 3" O/D Pole)  
TSB-609 (Fits 4" O/D Pole)

- Twist Lock Sign Mount
- 1" Diameter Hole Required in Pole

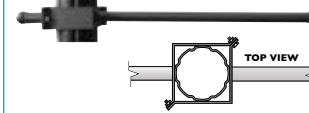

TSB-210 (Fits 3" O/D Pole)  
TSB-610 (Fits 4" O/D Pole)

- Twist Lock Sign Mount
- 1" Diameter Hole Required in Pole

TSB-214 (Fits 3" O/D Pole)  
TSB-614 (Fits 4" O/D Pole)

- Clamps around round pole
- Model # Example: **TSB-214-18-Banner** holds up to a 18" wide banner
- Banner arms sold individually

TSB-215  
(Fits All Forsite Poles)

- Bolts to pole
- 1/4" thick aluminum sign paddle
- Vinyl graphics applied to both sides of sign paddle

TSB-216  
(Fits All Forsite Poles)

- Bolts to pole
- 1/4" thick aluminum sign paddle
- Vinyl graphics applied to both sides of sign paddle

TSB-217 (Fits All Forsite Poles)  
Clamps around pole using stainless steel straps (fits up to a 12" diameter pole)

- Cast aluminum base and 3/4" Dia. white fiberglass arm
- Model # Example: **TSB-217-24** holds up to a 24" wide banner
- Banner arms sold individually
- Straps are not powder coated

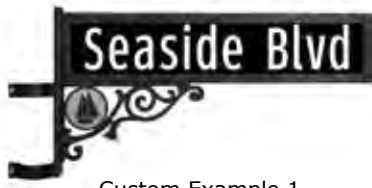

The TSB series of Street Sign Mounts and Banner Arms can be ordered to hold a variety of sign sizes. Add the height and length of the sign blade in inches to the end of the item number of the desired sign.

- For example: A 6" x 24" sign blade in a TSB-201 bracket, the item number would be TSB-201-624.
- Length of the arm's bar will vary by the length of the sign blade. **Sign blades sold separately (except for TSB-215 and TSB-216).**

# HOW TO CONFIGURE YOUR SIGNAGE SYSTEM (CONTINUED)

## STEP 4 Continued - CUSTOM SIGN MOUNTS (OPTIONAL)

Custom Street Sign Mounts can be designed to give your community, commercial development or town a distinct and unique look. Choose from our custom examples below or send us your design plans and our creative team will develop the unique look that you desire. Plasma cut or vinyl logos can be added to almost any sign mount.

# HOW TO CONFIGURE YOUR SIGNAGE SYSTEM (CONTINUED)

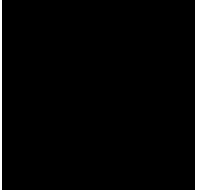

## STEP 6 - SELECT TRAFFIC SIGN BACK PLATES, SIGN TRIMS AND SIGN FRAMES (OPTIONAL)

### SIGN BACK PLATES

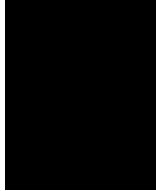

Back plates are made of .080 flat aluminum. Back plates provide a 1" wide flat edge on all sides of the sign. Measurements are for the sign blade going onto the back plate. Back plates are provided undrilled for custom mounting.

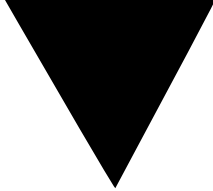

24" Back Plate BP24-OCT  
30" Back Plate BP30-OCT  
36" Back Plate BP36-OCT

24" W x 24" H Back Plate BP-2424  
30" W x 30" H Back Plate BP-3030  
36" W x 36" H Back Plate BP-3636

12" W x 18" H Back Plate BP-1218  
18" W x 24" H Back Plate BP-1824  
24" W x 30" H Back Plate BP-2430

30" Back Plate BP30-TRI  
36" Back Plate BP36-TRI  
*measurement is point to point*

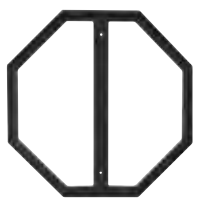

Back Plate Detail

### SIGN TRIMS

Measurements are for the sign blade fitting onto the sign trim. Sign Trims are pre-drilled for standard sign mounting.

*NOTE: Traffic Sign backs are standard "mill finish" and are visible through the backside of the open Sign Trim. For a small additional charge black vinyl can be applied to the back of the sign. Vinyl is not necessary when using Back Plates or Sign Frames.*

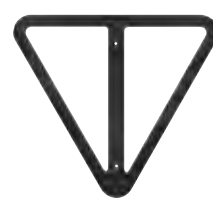

24" Sign Trim ST24-OCT  
30" Sign Trim ST30-OCT  
36" Sign Trim ST36-OCT

24" W x 24" H Sign Trim ST-2424  
30" W x 30" H Sign Trim ST-3030  
36" W x 36" H Sign Trim ST-3636

12" W x 18" H Sign Trim ST-1218  
18" W x 24" H Sign Trim ST-1824

30" Sign Trim ST30-TRI  
36" Sign Trim ST36-TRI  
*measurement is point to point*

Sign Trim Detail

### SIGN FRAMES

Sign Frames are made with a .080 flat aluminum backing and a 1" x 1" square aluminum tubing to create a frame around the sign. Measurements are for the sign blade fitting into the sign frame. Sign frames are provided undrilled for custom mounting.

24" Sign Frame SF24-OCT  
30" Sign Frame SF30-OCT  
36" Sign Frame SF36-OCT

24" W x 24" H Sign Frame SF-2424  
30" W x 30" H Sign Frame SF-3030  
36" W x 36" H Sign Frame SF-3636

12" W x 18" H Sign Frame SF-1218  
18" W x 24" H Sign Frame SF-1824  
24" W x 30" H Sign Frame SF-2430

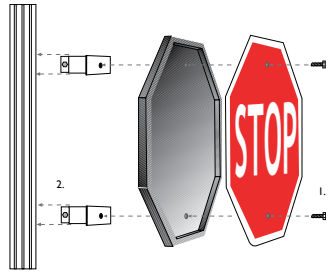

30" Sign Frame SF30-TRI  
36" Sign Frame SF36-TRI  
*measurement is point to point*

### CUSTOM STREET NAME SIGN BLADE

We can customize any standard street sign to include your logo or create a plasma cut aluminum sign blade to make your street signs stand out from the rest. Choose from our custom examples below or send us your design plans and our creative team will develop the unique look that you desire.

**Custom Example 1**  
As Shown: 36" W x 6" H

**Custom Example 2**  
As Shown: 30" W x 10 3/8" H

**Custom Example 3**  
As Shown: 30" W x 10" H

**Custom Example 4**  
As Shown: 30" W x 9 3/4" H

**Custom Example 5**  
As Shown: 30" W x 15" H

**Custom Example 6**  
As Shown: 30" W x 16" H

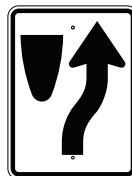

**Custom Example 7**  
As Shown: 30" W x 10" H

**Custom Example 8**  
As Shown: 30" W x 11 1/2" H

## STEP 8 - SELECT MUTCD APPROVED SIGNAGE (OPTIONAL)

- Not limited to examples shown here, all standard MUTCD and custom signage options available
- Signage is available in Engineer Grade Prismatic, High Intensity Prismatic and Diamond Grade Prismatic Reflective Sheeting

Street name and regulatory signs must conform to the Manual on Uniform Traffic Control Devices (MUTCD). Always check with your local ordinance or municipality to ensure size and reflectivity requirements are met or exceeded when purchasing traffic control signage.

# BREAKAWAY POLES

## BREAKAWAY POLES

Our 3" and 4" O/D smooth aluminum poles are approved by the U.S. Federal Highway Administration (FHWA) for breakaway pole regulations.

### NO SPECIAL ADAPTER OR OTHER DEVICE IS REQUIRED.

Our breakaway poles are omni directional, meaning they don't require poles to face a certain direction and can easily be installed in any orientation.

#### Ordering Example:

**BA-4\*\*** (3" O/D breakaway pole)

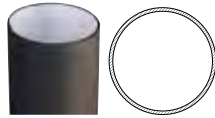

**BA-6\*\*** (4" O/D breakaway pole)

\*\* = length of pole (ex: BA-410 = 3" O/D x 10 ft. length)

Poles are available in 8 ft., 10 ft., 12 ft., 14 ft., and 16 ft. lengths

3" O/D  
Breakaway\*

4" O/D  
Breakaway\*

\*meets U.S. Federal Highway Administration (FHWA) breakaway pole regulations.

## BREAKAWAY POLES APPROVED BY THE:

## BREAKAWAY POLE KIT

For use with any 3" O/D non-breakaway pole.

By using the patented breakaway pole kit, any 3" O/D pole can be U.S. Federal Highway Administration breakaway compliant.

Flush-to-the-ground configuration allows sign poles to breakaway or release cleanly at ground level, with a 360 degree impact zone.

Once the break away pole kit is installed, you simply insert the pole and drive in the wedge, locking the post into the anchor without the need of any additional hardware.

#### Item Number:

**VR3** - (Breakaway pole kit for 3" O/D poles)

## Cluster Box Units

The most popular centralized mail delivery equipment for residential neighborhoods is the free-standing, pedestal-mounted Cluster Box Unit (CBU). Whether your neighborhood has aging mailboxes or your municipality is requiring you to switch to a centralized mail location, secure and convenient cluster box units may be the solution.

**1570-8**

- 2 Parcel Lockers

*All cluster box units are available in multiple color options, all in a durable powder coated finish.*

Looking for a way to turn your standard CBU into something more "upscale"? Forsite has many attractive accessories available.

## 4C MAILBOX SYSTEMS AND SITE FURNISHINGS

### Versatile 4C Mailboxes

4C mailboxes provide a simple, easy to use 'pre-configured' line of mailboxes and parcel lockers which meet or exceed every security requirement of the USPS. Multiple configurations and applications are available.

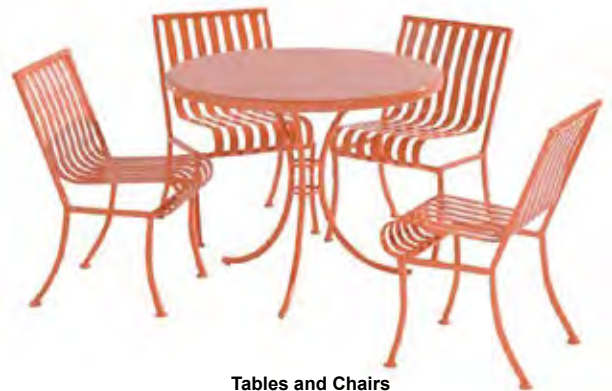

### Site Furnishings

Decorative site furnishing products are used to beautify public spaces and enhance outdoor environments.

- Weather resistant powder coated finish that resists scratching
- Additional product options are available, contact us today for more details

Tables and Chairs

Waste Receptacles

Bike Racks

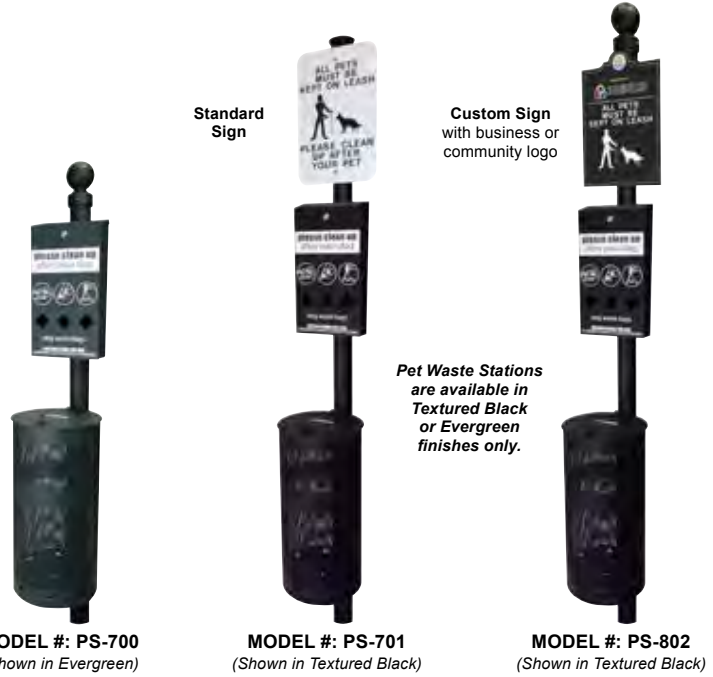

# SITE FURNISHINGS

## Continued

### Pet Waste Stations

Dog waste management is a major challenge when trying to keep your common areas clean and green. Our pet waste stations offer a complete and attractive solution.

- Extruded and cast aluminum construction that will not rust
- Decorative pole and topper
- Stainless steel hardware
- Available in textured black and evergreen powder coated finishes
- Logo and sponsorship signage options are available
- Refill bags and liners available

### Bollards

Bollards can be used at key locations to create a sense of separation between pedestrian and vehicular areas and to add visual interest to a streetscape.

Direct burial and surface mount options are available.

#### Crash Tests:

We have not conducted nor do we intend to conduct a laboratory crash test. Bollards are manufactured and designed as a deterrent and precautionary boundary only. We do not boast or claim that the given bollards will withstand any given force or impact liability purposes.

### Message Boards

Our enclosed, weather resistant message board systems come standard with a decorative hood that provides protection from the elements.

Decorative message boards can be coordinated with your traffic poles and/or mailboxes to create a unified look throughout a property. The message boards can be mounted on a single post or a double post system.

Message boards are perfect for home owner associations, apartment complexes or universities.

#### Key Features:

- Rust free aluminum construction
- Lockable doors with keys
- Durable acrylic window(s)

Message board shown with decorative pole, topper and hood

## WHAT OUR CUSTOMERS HAVE TO SAY...

"I can't begin to express my gratitude to Forsite! The signs look beautiful and truly add value to our community..."

- **Western Heights Neighborhood Association**

"We were very pleased with Forsite's willingness to offer suggestions, provided proofs and delivered a very nice finished product."

- **Westview Development Companies, Inc.**

"All of the materials were delivered and installed in a timely manner...The look of our community has been greatly improved due to Forsite's efforts."

- **Addison Trace Community**

"Great addition to the community...have received many compliments...would recommend Forsite to any city considering a streetscape project..."

- **Borough of Sewickley, PA**

"I was very impressed with Forsite's work, plus they brought expertise and alternatives which really helped the board make the right decision. I would recommend Forsite to any community interested in a mailbox or street sign project."

- **Vanguard Management Group**
