**Step 1** - Measure and position your vinyl numbers and secure with tape along the top.

**Step 2** - Lift up and carefully remove backing, leaving the vinyl and transfer tape.

**Step 3** - Lower the vinyl and transfer tape into place. Using squeegee or credit card, firmly rub from the center outward to apply the vinyl, pressing hard enough to remove any air bubbles.

**Step 4** - Slowly peel off transfer tape to reveal your address numbers.
